### Vision

The most basic building block that constitutes the vision of Onkel Group is high quality continuity and absolute customer satisfaction in the tourism sector we are in. Around this foundation, our mission is to renew ourselves with continuous investments by rapidly adapting to the innovations brought by our age and to respond to all the needs and expectations of our valued customers with appropriate price options. While realizing all these, our main goal is to become the leading touristic facility of the Antalya region in terms of standards and to develop and expand this accumulation in institutional and individual terms.

- To be the pioneer of our sector by providing unconditional customer satisfaction with our quality and innovative services.

### Mission

- From individual, beginner users; to provide the same perfect solutions to our customers at all levels, from corporate to professional level demands.
- To maximize quality, efficiency and accessibility in the solutions we offer.
- To create an institution with high customer potential, 100% satisfied with its services, and able to offer its understanding to as many users as possible.

### Values

- We are committed to ethical values, trade ethics.
- We believe in human value and invest in people.
- We strive to establish quality awareness in every field.
- We take customer satisfaction as a basis.

100% Customer Satisfaction

- We believe in the value of having permanent guests and look long-term at the partnerships between us and our guests.
- We think instead of our guests and produce value-adding solutions that are suitable for the needs of our guests.
- We take precautions in advance of the problems that may occur by acting with proactive approaches.
